STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 14, 1966

Board of Selectmen

Fitzwilliam, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Fitzwilliam for the fiscal year ended December 31, 1965, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Village District and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1964 - December 31, 1965 : (Exhibit A - 1)

Comparative Balance Sheets as of December 31, 1964 and December 31, 1965, are presented in Exhibit A - 1. As indicated therein the Surplus increased by $3,712.50, from $7,206.20 to $10,918.70, in 1965. Inasmuch as there were no outstanding long term notes or bonds on December 31, 1965, the Balance Sheet Surplus of $10,918.70, also represented the Current Surplus (excess of total assets over current liabilities) on that date.

Analysis of Change in Financial Condition: (Exhibit A - 2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A - 2, with the factors which caused the change indicated therein. These were as follows:

Increase in Surplus	
Net Budget Surplus	$ 3,599.35
Increase in Tax Collector's Cash on Hand (Interest)	16.15
Tax Collector's Excess Credits	97.00
	$ 3,712.50

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1965, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of $1,275.65, plus a revenue surplus of $2,323.70, resulted in a net budget surplus of $3,599.35.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1965, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1965, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report, are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Class V Highway Maintenance Funds:

Attention is again called to the fact that Class V Highway Funds are granted to the Towns by the State to supplement funds appropriated by Towns for the maintenance of Town roads. Consequently, funds received from this source should not be treated as an estimated revenue item in the Town budget, but rather as an appropriation credit to the Town maintenance account.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Fitzwilliam for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director

REPORT OF FIRE DEPARTMENT

We wish to thank the Meadowood County Area Fire Deparment in aiding us at the fires this past year. This department renders a great service to the Town of Fitzwilliam, free of charge.

We also wish to thank the following people in giving the town 24 hour radio protection, without cost, to the town: Edward and Dorothy Grant, Robert and Marolyn Dunton, and Plante's Store.

In November of 1965, we changed our system of reporting a fire in the town of Fitzwilliam. We print here, for your benefit, the procedure to report a fire or any emergency in our town.

Anyone on the Troy Telephone exchange may dial 352-1100.

Anyone in Fitzwilliam area with a 585 number must dial the operator and ask for the Fire Department and report your fire.

Anyone on a State Line number must dial Operator and ask for the Keene Fire Department and report your fire or emergency.

We are now covered by the Fire Mutual Aid Control Center in Keene and the dispatchers, at the control center, will sound our alarm as necessary. Our radio dispatchers are still covering as before, but they are not required to stay in if they want to go out.

In December of 1965 we purchased new coats and boots for the men of the department.

This past summer, the G. S. A. tank truck was completed through the help of the Fire Departments donations. It was given the name, "The Jolly Green Giant". This truck holds 1,500 gallons of water and is a ten-wheel drive vehicle.

We placed in the Town Warrant an article to purchase a new Fire Truck. We hope you will support this, as it has been 12 years since the town bought new equipment for the department. This new truck would be a pumper and a tank truck. This would replace a 1936 Stuwart which is 30 years old this year. We feel to wait longer would be dangerous to keeping our department a modern and up-to date department. We feel we are the only department which has not kept our fire equipment up to modern thinking in our area.

Below are the fire calls the department responded to in 1965.

January 5 - Damon Mill Estate - Mill fire total loss.
February 13 - Hallett residence - State Line - Chimney fire - no damage
February 14 - Mutual aid to Richmond to cover station
April 10 - Ernest Johnson residence - Royalston Road - Building fire small amount of damage resulting from paint peeler
April 15 - Vina and Dorothy Mattson - Grass fire
April 30 - Dorothy Reed property - Grass fire
May 1 - Dump Fire - Burning outside dump area out of control

May 6 - Dump Fire - Burning out of control
May 11 - Dump Fire - Burning out of control
May 22 - Ricci Yon property - Brush fire - Caused by children
May 30 - Dump Fire - Standby with truck and wet down area
June 6 - Old Richmond Road, Brush fire
June 13 - Stearns Cottage - Laurel Lake. Lightning Strike. Heavy damage from smoke. Mattress and bed fire.
September 7 - Robert Florence home - Kitchen fire - Heavy damage to kitchen area. Grease in pan caught fire on stove.
October 6 - Reported chimney opposite Reverend Simpson's house. No fire found
October 27 - Town Dump - Wet down dump area as a fire prevention procedure.
October 23 - Blake house in Depot - Smoke scare - Found skunk odor instead.
October 31 - Dump fire - Called in by Police Chief.
November 20 - Mutual Aid to Troy - Cover in for their station.
November 23 - Farrington House State Line - House fire - Total loss.

In addition to the above calls, the Chief answered 36 requests to individual houses. Our radio dispatchers answered 145 calls and requests during 1965. The Fire Department sponsored a fire prevention program in October with contributions from the local merchants.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindfull that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;

   a. Always get a permit to burn from the warden.
   b. Start your fire late in the day after 5:00 P.M.
   c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

REPORT OF LIBRARIAN

During 1965, library hours were increased once again and the library is now open Mondays, Wednesdays and Saturdays from 2 to 5 P.M. and Wednesday evenings from 7:30 to 9:30 P.M.

A total of 236 books were purchased. Eleven years of the National Geographic Magazine were bound into pamphlets by article and file boxes were purchased to store these according to subject for easy reference.

A weekly story hour was made possible by the members of the Library Sewing Circle who have contributed not only much time and effort but also money to purchase children's books. Children from kindergarten age through the sixth grade are welcome and attendance has averaged between 20 and 25 children. The number of juvenile books borrowed has almost doubled since last year. The trustees and librarians wish to thank the club members for this successful activity.

Adult books borrowed numbered 3565 and juniors numbered 2112, making a total of 5,677 books borrowed in 1965.

In November, the assistant librarian, Miss Ann Wood, left to accept a full time position. The contribution she made in time and work added greatly to the efficiency of the library and her resignation was accepted with regret. The present assistant is Mrs. Susanne Drinker whose services we are most fortunate to have.

Early in the year, the N. H. State Library organized a state-wide affiliation of New Hampshire libraries of which Fitzwilliam has become a member. There are many advantages to a small library in this program and the librarian will be pleased to discuss it and to answer questions regarding it at any time during library hours. The qualifications are set up on a population basis and are well within the resources of our library.

Throughout the fall and early winter the librarian attended classes in cataloging and classification which were made available free of charge through the affiliation. Classes will resume in March and will be concerned with adult and young adult books.

New shelves have been added in the reading room to house the reference books as they are acquired. A new junior high encyclopedia has been added plus several volumes received through the affiliation. To these have been added others as the budget allowed and we now have the nucleus of an adequate reference collection.

The roof has been given major repairs as there was much leakage during the winter due to ice forming and water backing up. It is hoped that funds for the coming year will allow for interior of walls and ceilings to repair water damage.

The library is grateful for the many books and magazines presented to it during the past year. Thanks, too, to Mr. and Mrs. Roger Stone for a table which they have given to be used in the children's section. We wish to thank, too, those volunteers who have helped out at the desk and with other library work.

Cataloging, classifying and weeding of the collection continues slowly but steadily.

Respectfully,
MARGARET E. MORRIS
Librarian

REPORT OF SPECIAL SCHOOL COMMITTEE

A report on the activities of the committee appointed at a special Town Meeting, December 30, 1964.

As your representative on the Monadnock Regional School Board, it seems proper and necessary that I report to you on the special activities of your appointed committee.

Some historical background will make this report more meaningful.

Shortly after my being elected to the School Board in March, 1964, a long standing dispute over the method of handling State Aid came before the State Supreme Court for decision. Briefly, the question to be decided was: Shall all member towns entitled to State Aid receive this aid directly? Fitzwilliam was represented before the Supreme Court by the law firm of Bell & Bell. As most you know, the decision went against us. The Supreme Court also denied an appeal from this decision by Fitzwilliam's attorney.

I think we all felt that the agreement under which we entered the Regional School District had been violated. The result of this Court decision was a large increase in our school costs. Therefore, in the fall of 1964, a group of citizens, chaired by Glenn Carson, organized and met regularly, seeking a remedy to this situation. The result of this group's activities was a special School District Meeting to change the formula for allocating costs. The vote of this meeting was against us.

On December 30, 1964, a special Town Meeting was held, at which a committee was appointed to take whatever action it deemed necessary to secure a legislative solution to Fitzwilliam's school cost problems. The members of this committee were Russell Raitto, Glenn Carson and myself, Arthur Cleveland.

This group had the active support of and worked closely with our representative to the legislature, William Watkinson. We were also helped greatly by all the people who worked so hard for the special school district meeting.

Your committee engaged the services of the Manchester law firm of Sheehan, Phinney, Bass & Green, in the person of Mr. William Phinney, a man experienced in the legislative hall of Concord.

As a result of our combined efforts, a bill (House Bill #585) was presented to the legislature which, if passed, would have reduced the school costs of the towns in the Monadnock Regional School District, including Fitzwilliam.

Your committee and I had a number of meetings with our attorney in the spring of 1965. I, members of the committee and an active group made a number of trips to Concord, Durham and Manchester, working on this matter and seeking to enlist support for our Bill. We talked a number of times with people in the State Department of Education. In short, we did all we could to enlist support for our Bill. We visited all the towns in the Monadnock Regional School District, talking to all who would listen.

In June of 1965 your committee and others testified before the House Education Committee for House Bill #585. I believe we made a favorable impression on this committee but, as you all know, there was no money in Concord this past year. As a result of this hearing, House Bill #585 was amended in such a manner that a committee of five has been appointed to thoroughly investigate and make recommendations as to the methods of raising funds from the member towns for the support of Monadnock Regional School District, and obtaining adequate State Aid for this purpose. This committee will make recommendations to the next session of the Legislature.

In retrospect, we seem to have achieved very little for all our efforts. However, the situation does have positive aspects. The financial plight of our School District has been forcibly brought to the attention of the Legislature. I think it fair to say we dramatized, to the education committee of the Legislature, the crying need for more State Aid to School Districts such as ours. And, finally, we have also laid a good foundation for a continuing effort for some correction of the present inequities.

Due to the generosity of a number of townspeople of Fitzwilliam and Troy, this report can be ended on the cheery note that the activities of this committee have cost the town of Fitzwilliam not one penny.

Finally, I would like to thank all of you who helped by name, but the list would be too long. I am sure the town joins me in my gratitude for your efforts.

SELECTMEN'S REPORT

The Selectmen have endeavored to carry our efficiently and economically that which was voted upon and approved at our last Town Meeting. During this year we have also taken certain measures to improve the administration and to make property assessments more equitable.

During this year we experienced a deep sadness by the passing away of Walter Tommila who had been a Selectman of Fitzwilliam for 15 years. He was a person who gave an enormous amount of his time to the administration of our town and his absence has been deeply noticed. As a measure of our appreciation, a memorial service was held and an engraved stone was placed and a tree planted on our common as a living memorial to a man who had served our town so long and so faithfully.

Since we felt that there were a large number of inequities in the assessment of our town property, we embarked on an extensive program to revalue all of those properties which we felt were not consistent with the general property values within the town. This program resulted in the adjustment of approximately 15% of our properties, some being adjusted upwards and some downwards. The State Tax Commission is presently revaluing all property in accordance with the wishes of the town as voted two years ago. This survey will be completed next summer and the new assessments will provide our tax base for this coming year.

A great deal of the selectman's time has always been consumed in hand writing and typing warrants, record books, State Tax Commission requirements, and other documents. We carefully reviewed the purchase of an Addressograph Machine and concluded that in the end we would save a great many tedious hours which could be spent more productively but which would also provide us with better control. Furthermore, due to the rapid operation of this equipment, we shall in the future be able to mail inventories, veteran exemption applications, Head and Pole Tax, and Property Tax bills much earlier than previously. The necessary equipment was purchased. The large task of placing all necessary information on plates was undertaken and accomplished. The significant benefits of this equipment will be realized in the year to come.

It was suggested at the last town meeting that the selectmen investigate other printers for our annual reports. This suggestion was adopted and after careful consideration the Adams Printing Corporation was selected. We have made significant changes this year in the format and layout of our annual report which we hope will make a clearer presentation of the financial matters of this past year. We have also used a picture of our Town Hall taken several years ago and looned to us by the Fitzwilliam Historical Society which we felt you might enjoy.

It gives us pleasure to report to you that the town is in an excellent financial state and we are again this year enjoying a net surplus. However, it does appear that our taxes will again increase this year primarily due to the rising costs of education. From the figures which are presently available, it appears that our school costs will increase 9% over last year. School costs continue to make up more than 70% of our annual budget.

We wish to express our thanks to all of the prople who run the various departments of our town for work well done. We owe our gratitude for all the assistance we have received from the many other town officers in carrying out our duties of administering the affairs of Fitzwilliam during 1965.
